Handbook

THEATRE ARTS, TECHNICAL THEATRE AND THEATRE PRODUCTION are hands-on, project-based courses that encourage both teamwork and personal responsibility. Each level is designed to build on previous levels, the first level in each course being an overview of essential skills. The curricula for all theatre course levels are T.E.K.S. (Texas Essential Knowledge and Skills) driven and are published by the Texas Education Agency. They are available for you or your parents through the T.E.A. website. Theatre courses incorporate a wide range of theatre elements which may include*, but are not limited to:

Theatre appreciation	Theatre History	Dramatic structure	Script analysis	Movement
Stage elements	Improvisation	Vocal Technique	Research	Stage management
Stage properties	Make-up application	Lighting Design	Scenic design	Carpentry
Costume design	Sewing	Sound design	Publicity/Public Relations	Play writing

*Technical theatre classes do not incorporate the performance-based subject areas.

*Theatre 1 Classes only cover a brief informational unit on technical theatre. Students who realize that they prefer technical theatre elements are encouraged to join that specific course the following year. Schedules cannot be changed mid year if a student realizes that they do not want to be in the acting part of theatre.

THEATRE COURSES

There are three streams of study in the Theatre Department: ***Theatre Arts, Technical Theatre and Theatre Production.***

Theatre Arts

Courses: 7411 Theatre I, 7412 Theatre II, 7413, Theatre III & 7414 Theatre IV

Prerequisite: previous level for II-IV

Credit: one per course

Theatre Arts I- Students learn the foundations of theatre, acting (voice & movement), history, creative expressions, critical evaluation of theatre, media and careers. Principles of production are studied and *applied through scenic and or play performances in class and for live audiences.*

Students work on in class projects and performances. *Students are required to perform 1 live scene or class play in January in the blackbox for a curriculum showcase.*

Students in Theatre 1 are not mandated, but encouraged to audition or apply for a crew spot for any show. If cast in a fall show, musical, U.I.L. OAP, or Spring Student Directed One-Acts, students are required to pay a show fee.

There is no fee for the curriculum showcase as students will provide their own costumes, props, and additional set pieces that FTC does not have.

Theatre II-IV- requires a previous level for admittance and each level continues the study of the art form's cultural contributions of the theatre, plays and performances while continuing to develop further production styles and techniques through advanced acting, directing and production applications. Students develop and perform college-level audition material and apply their skills through scene and play rehearsals and performances in class and for live audiences.

Students *are required* to perform a live class play once a year in January for an audience for a curriculum showcase. Additionally, students at this level are required to audition for at least one campus show as an actor or crew member (fall or spring). If cast, students will be expected to pay a show fee, attend rehearsals, and perform.

NOTE: Theatre satisfies the communication skills component.

Advanced Theatre courses study the art form's cultural contributions of the theatre, plays and performances while continuing to develop production styles and techniques

through advanced acting, directing and production applications. Students develop and perform college level audition material.

Technical Theatre

Courses: 7451 Technical Theatre I, 7452 Technical Theatre II, 7453 Technical Theatre III & 7454 Technical Theatre IV

Prerequisite: previous level for II-IV

Credit: one per course.

These courses combine study of various theories of design and stagecraft techniques. Technical Theatre II-IV incorporates actual construction and operation of varied components of technical theatre. Students throughout all technical theatre courses study staging, design, scenery, properties, lighting, costuming, makeup and sound. Enrollment is limited due to safety requirements.

Advanced courses emphasize design of scenic, properties, lighting, sound, costume, makeup and publicity as well as stage management and production and theatrical business management. These courses afford the opportunity to design projects and materials for professional portfolios for entrance into university theatre programs or a more immediate theatrical career.

Theatre Production

Courses: 7521 Theatre Production II, 7522 Theatre Production III & 7523 Theatre Production IV

Prerequisites: audition / interview with directors and Theatre I

Grades: 9 - 12

Credit: one per course.

The Theatre Production I-IV courses are for the most serious theatre students and studies the art form's cultural contributions of the theatre, plays and performances while continuing to develop production styles and techniques through advanced acting, directing and production applications. Students will develop portfolios and perform college-level audition material by their IV year in the course.

Each course provides a laboratory learning experience for the exploration, development, and synthesis of the elements and components of theatre through production activities. Students are required to join the Freeman Theatre Company as a member, participate in ALL Theatre Department productions, including extracurricular components, after school and weekend activities as an actor or crew member. Students are required to pay fees for club memberships, various shows and events.

STUDENT LEADERSHIP

Freeman Theatre Company and our future theatre troupe are led by five elected officers: President, Vice President, Secretary, Treasurer, Historian and Publicity Officer as well as five elected committee chairs: Hospitality, Outreach, Social, Membership, Publicity. In our inaugural year, some of these roles may be combined. Production students are required to run for positions. Company members are encouraged.

Students will sign up for committees at the first FTC Meeting of the year.

The officers and committee chairs run and manage meetings, organize social events, track Thespian points, and help the director shape the theatre department. Officer elections will normally take place near the end of each school year in preparation for the following year. However, for Freeman's inaugural year, elections will take place the 2nd week of school.

All officers and committee chairs must maintain active membership (as defined below in the section titled "Active Memberships") during their year of service. Any officer or chairperson who does not maintain active membership will be removed from their position and ineligible to run for another position for one full year.

All officers and committee chairpersons must maintain a high standard of conduct within the FTC, FTC Troupe, Freeman High School, and the community. Any officer or committee chair found engaging in behavior unbecoming of a leader, as determined by the company director or campus administration, will vacate their position and will be ineligible to serve as an officer or chairperson during the following academic year. Unbecoming behaviors include but are not limited to:

- Bullying as defined in the Katy ISD Student Code of Conduct

- Vandalism and/or theft of school or FTC property
- Any offense that results in suspension from school (ISS, OAC, OSS)

- Academic dishonesty as documented by campus administration
- Any violation of the Katy ISD Student Code of Conduct

Any FTC member is eligible to serve as a committee member. Committee members are required to attend each monthly committee meeting. If more than three meetings are missed in the course of an academic year, the committee member will be dismissed from the committee.

Committee chairs and officers will report to the company director any behavior that is deemed detrimental to the activities of the committee. Any committee member whose behavior is deemed detrimental to the activities of the committee can be dismissed from said committee by the company director. Dismissed committee members may rejoin the committee in the following academic year provided the original offense has been corrected to a satisfactory degree as determined by the company director.

INTERNATIONAL THESPIAN SOCIETY FREEMAN THEATRE TROUPE # _____ (number to be determined after school begins). This troupe will be the theatre honor society at Freeman High School.

WHAT IS THE INTERNATIONAL THESPIAN SOCIETY (I.T.S)?

The International Thespian Society (I.T.S.) is an honorary organization that was founded in 1929 for theatre students located at more than 4,900 affiliated secondary schools across America and abroad. The mission of I.T.S. is to honor student achievement in theatre arts. High school inductees are known as Thespians. More than 2.3 million theatre students have been inducted into the ITS since its founding.

ITS is a division of the Educational Theatre Association (EdTA) a national nonprofit organization with more than 135,000 students and professional members. EdTA's mission is shaping lives through theatre education by, amongst other things, honoring student achievement in theatre and enriching their theatre education experience.

Upon induction to the troupe, members become eligible to attend the State and International Thespian Conventions and compete in the various acting and technical competitions held at those conventions. Thespians are also eligible to qualify for distinctions, apply for scholarships through the I.T.S. and Texas Thespians, seek election as an officer or vote on the election of an officer.

CASTING INFORMATION

Both student and staff directors always strive to cast productions fairly, with the guiding objective of assembling the overall cast that will best serve the directorial vision for the show. This requires many hours of careful analysis by the director and/or casting panel, who take their responsibility in this area very seriously. The casting panel may include directors from throughout the district, community volunteers and/or

other staff. The directing team and casting panel watch every audition and participate as mediators/guides through the casting process. Each auditionee is evaluated based on their performance, at that moment in time. All students are encouraged to participate in productions, as members of the cast or crew. All students who audition are considered equally, in an inclusive environment, and are cast based on acting ability, combined with other considerations.

CASTING PROCESS

Casting is a very complex process. In the end, the directors and/or the casting panel must choose the students who best fit the roles. Many dimensions are considered as part of the casting process. Not only do we evaluate individual acting skills presented in the audition, but also the dynamics that develop between actors who will be creating the driving energy of the show in scenes together. Such dynamics are a large part of what is explored in the “Callback” round of auditions. We also consider the student's performance outside the theatre program, evaluating their efforts in their core classes, as well. In addition, those in the production and advanced theatre classes, have earned the opportunity to be considered for casting opportunities over lower theatre level classes and students not enrolled in a theatre class. Students' behavior choices are also considered. Students who create gossip, treat others in a negative manner, show up late for rehearsals, have excessive absences, and drop out of shows do not create a positive morale for the company and may make it a difficult decision for a director to cast. There is a saying in the theatre world, “you are always auditioning.”

For students, auditioning is an exciting, yet difficult process that can bring about great success, whether cast in the production or not. The more a student auditions, the better they will become, especially if they seek and receive feedback and guidance. The feeling of “rejection” over not getting cast seems disappointing at first, but students are encouraged to get right back to work, as soon as possible, so they can sharpen their skills for a future audition.

In theatre, as in life, each of us will experience both disappointment and success. Our goal is to teach our students how to deal with both, so when they leave Freeman High

School they will be well prepared to navigate their way toward success in a complex world.

Please note- students who wish to discuss their audition may contact the director 24 hours after the audition. When the directors and students meet, the discussion will remain positive and focused on the student's performance during their audition. Please be assured that a student's future participation in the Freeman Theatre Company will not be jeopardized in any way by seeking to have concerns addressed according to this established process.

PARENTS/GUARDIANS

Please note, your student's audition does not guarantee him-or-her a role in the show. While disappointment for some is an inevitable part of the experience in any competitive tryout situation, be it an academic, athletic or artistic pursuit, one of the hallmarks of the Freeman Theatre Company is the many ways to get involved working on the production. If not cast in an on-stage role. These include: technical crew (i.e. house crew, publicity team, set design and construction, lights, sound, etc), or any of the many other teams that are an important part of every production (i.e. props, costumes, publicity, makeup, etc). If slots of interest are not available in the current show, please encourage your student to consider opportunities in an upcoming show.

We produce a variety of shows each year, to create as many theatre arts opportunities available to as many students as is possible, within the resources provided by the Freeman Theatre Company. As noted above, students are welcome, and encouraged, to discuss the audition process/outcome with the Directors.

However, this process will not be discussed with parents/guardians. Self-advocating is an important life skill and we strive to provide a safe and nurturing environment for our students to develop.

NOTE: Students who elect to withdraw themselves from a production (either cast or crew) after committing to a role may not be allowed to participate in further extracurricular theatre activities for the remainder of the school year. If the situation

arises, the student will be required to meet with the director to discuss options. The decisions made will be on an individual basis and are at the sole discretion of the director.

GRADES

- **PARTICIPATION/WARM-UP GRADES – 35%:** This includes possible written work, punctuality, having proper materials, and use of class and rehearsal time.

- Open toed shoes are not allowed in the technical theatre spaces. Hard soled, slip resistant shoes are preferred while working in the theatre. Shoes shall be worn in the theatre at all times. *Crocs(regular or sports mode), flip flops, and any type of slider shoes are prohibited.*

REHEARSALS and PERFORMANCES

Be present and accounted for:

- Rehearsal begins at the scheduled time.
- Be at rehearsal if you are called.
- The amount of required rehearsals for actors depends on the size of the role.
- Crew heads are required at every rehearsal, unless otherwise arranged.
- Two weeks prior to the show will require all actors and crew to attend.

- Notify the director, the Stage Manager and Assistant Director at least 24 hours in advance if you will be absent.
- Arrive 15 minutes before call time and begin warming up/preparing for rehearsal. Rehearsal call time is at 3:00p.m., which means your warm-up period must begin by 2:45p.m.
- Rehearsal calendars can be found on the callboard or on remind.
- Rehearsal ends at the scheduled time. You will have transportation off campus ready at that time.
- More than 2 late pickups that are 10 minutes or greater and not emergency related, may result in dismissal from a production.
- On performance days, food delivery services (uber, doordash, etc.) are not permitted. Parents may drop food off at the front office prior to dismissal or at the side door of the blackbox. Light meals are recommended.
- Consumption of dairy products, soda, and coffee are not recommended as they affect the vocal health prior to a performance.
- Stay hydrated.

Practice self-discipline

- NO Cell Phones EVER, either onstage, backstage, during rehearsals, or performances.
- Check the Callboard daily.
- When you are not on-stage rehearsing, you are WATCHING and LISTENING to who is on stage or rehearsing your own part.

- Sidebar off topic conversations are not permitted. This includes technical crew members. Limit your volume when problem solving a technical or acting issue.
- Always have a pencil, an eraser, your script, and a notebook to take down acting and technical notes.
- Never give another actor a note unless they ask for assistance. Remember, “one voice,” “one director.”
- At all times resolve peer conflict that is non-threatening by incorporating conflict resolution strategies between you and your peer.
- Do not gossip about casting decisions and others’ abilities.
- Do not bring gossip to a director.
- Do not create unnecessary drama. This is theatre not “drama.”
- Do the right thing even when no one is watching. This is integrity.
- Respect yourself and others.

Treat others how you want to be treated

- Be respectful to all cast, crew, directors, theatre volunteers and guests at all times.
- Be kind when others make a mistake. You might make one someday too!
- FTC is inclusive. Everyone has a right to be here.

Take responsibility for yourself and your things

- Meet your deadlines. If a deadline is not met, you may be denied the opportunity to participate in whatever activity to which the deadline is related. Remind your parents of your deadlines. Examples of deadlines include but are not limited to:

- Show fees
- Thespian Convention
- Tickets for shows
- Payments for trips
- Banquet tickets

- Stay academically eligible to continue participating
- Clean up after yourself: costumes will be confiscated if they are not hung up
- Be in your place when you're supposed to be there
- Treat all props and costumes with respect
- If you forget your script, a loaner will cost you \$1. If you lose your script, a replacement will cost you \$10

Practice how you perform

- Take all directions the first time it is given
- Speak only when required to do so
- Treat each run as though it was a performance

Be responsible for safety

- Follow all safety rules and regulations when working in or around an active set build/light hang, etc.

REHEARSAL ABSENCES

- All known absences or conflicts must be written on the audition form - be sure to check with parents for standing commitments (orthodontist appointments, private lessons, etc.).
- If a student must miss a rehearsal due to an emergency, please make every effort to notify the director, stage manager, and assistant director.
- If you are absent from school, you may not attend an afternoon rehearsal. Please email the director ASAP that morning to let them know you will not be at rehearsal.
- Be present (both literally and mentally) at all rehearsals. Absences potentially jeopardize future casting consideration.
- Participants **MUST** be present on Survival Saturday, all dress rehearsals and all performances. If you must miss part, (or all) of Survival Saturday, a dress rehearsal, or a performance you may be dismissed from the production at the discretion of the director.
- Three (3) unexcused absences for ANY reason is automatic dismissal from the production, and your role / position will be replaced.
- 6 total absences (whether excused, unexcused or any mixture of them) for ANY reason will result in dismissal from the production.

REHEARSAL TARDIES

- Students are considered tardy if they are not in the theatre when roll is taken.
- If a student comes to a rehearsal late, but with a teacher's note explaining the situation, then the tardy is automatically excused.
- Extenuating circumstances may be taken into consideration, so tardiness **MAY** be excused; talk to the director.

- If a student is late to a rehearsal without prior notice and does not have a note from a teacher explaining the situation or a suitable explanation as to their extenuating circumstances, they will be given a ‘tardy’.
- 3 Tardies = 1 unexcused absence

ACADEMIC ELIGIBILITY

- Senate Bill 1 mandates that students who participate in extra-curricular activities such as Theatre Productions, U.I.L. One Act Play and field trips must receive a grade of no less than 70 in each of their non-A.P. classes.
- A student will be suspended from participation in ALL extra-curricular activities sponsored or sanctioned by the school district for a minimum of 3 calendar weeks after a grade reporting period if any grade is lower than a 70 in any non-A.P. class.
- Ineligible students must wait 7 calendar days after the end of the three-week evaluation period and/or the grading period to regain eligibility, whichever comes first.
- All Theatre activities outside of the normal academic day are considered “extensions of the classroom” or “curricular” activities. However, all theatre public performances, all U.I.L. contests and their related activities, and any field trips are considered “extra-curricular” and fall under the Eligibility mandate. In essence, ineligible students can still rehearse, but would not be allowed to perform.
- Any student who becomes academically ineligible to participate in a theatre activity will not be entitled to a refund of any fees paid for that activity.
- In summary, students must pass all non-A.P. classes with a 70 or above to participate in out-of class theatre activities.

CONDUCT & DISMISSAL

- Derogatory comments about staff, students, and policies will not be tolerated and may result in removal from the program.
- Any student who receives an “N” or “U” in conduct in any class will not be allowed to participate in theatre extra-curricular activities for that six-week period. This may render a student ineligible for participation in a production. No fees will be refunded.
- Any student assigned to in-school suspension (I.S.S.) the day before, or on the day of, a production, contest or field trip will not be allowed to participate in that activity. No fees will be refunded.
- In accordance with Katy I.S.D. policy, any student suspended from school for any reason will not be permitted to participate in any theatre activities during the period of suspension. No fees will be refunded.
- Any student who walks out of a rehearsal or quits during a rehearsal process for a performance without just cause defined by the director, will not be allowed to participate in another theatre performance for the year and any student who withdraws from theatre class forfeits their FTC membership. No fees will be refunded.
- Any student who is not directly connected to a production through the audition, casting and technical assignment process will not be allowed in the rehearsal process or backstage.
- Any student who does not use theatre safety and etiquette guidelines established by the Freeman Theatre Department will not be allowed to participate in any theatre activity for the remainder of the year. No fees will be refunded.
- All students who work backstage, in the booth, or in the shop must have a Safety Contract signed and on file with the technical director.

FTC BOOSTER CLUB WHAT IS IT?

- Freeman Theatre Company Booster Club is for parents and guardians of FHS theatre students and any other person or businesses supporting the Freeman Theatre Company.
- Booster club members come together, in a spirit of friendship and solidarity, to fundraise and volunteer in order to promote and enhance the FTC and provide scholarship funding to its qualifying graduating seniors.
- The club, when established, will be a s.501(3)(c) tax exempt, nonprofit corporation registered in Texas, with membership to Parent Booster USA, and donations to the club are tax-deductible to the extent allowed by law.
- The club would have its own bank account, post office box, by-laws and governing board of directors made up of parent volunteers. It operates separately from Katy ISD, but in accordance with Katy ISD's policies for booster clubs.

WHAT DOES IT DO?

- The booster club operates to support department leadership to ensure students in the Freeman Theatre Company are provided excellent opportunities to develop and advance in theatre arts. This involves, for example: running errands, securing resources and managing promotions / ticketing / concessions sales and merchandise.
- The booster club offers discounts, privileges and benefits to its members. It's also a platform for parents & guardians to connect with each other and develop friendships and support networks.
- Members are invited to volunteer in different ways throughout the year and membership does not oblige anyone to volunteer for any specific thing or number of hours.
- When volunteering, booster members become more informed about the FTC program, get to know the Directors and families involved, and have a better appreciation of the benefits that students receive by being a part of FTC.

MEETINGS

- Booster club meetings are scheduled to occur once a month/and or prior to each show and member attendance is encouraged, but not mandatory.

MEMBERSHIP

- Members sign up via a simple form which can be found on the FTC website.
- There are several levels of membership (starting at \$35), with different benefits accruing at each level.
- Memberships run from July 1 to June 30 each year.

MORE INFORMATION

- Please direct any questions about membership, volunteering or anything to do with the Booster Club to lisamhart@katyisd.org

FUNDRAISING

- For FTC to make a positive impact on student outcomes and the community, support is critical.
- FTC needs its families to attend the shows, support the fundraisers, donate, sign-up, enroll and promote.
- Fully functioning high school theatre groups cost over \$100,000 per year to operate (excluding staff wages, which are paid by the district). Fundraising and Booster Club presence is critical for the program.

TICKETS

- Ticket revenue typically covers less than half of the costs of a show in technical equipment, scenery, costumes, props, performance rights, publicity and playbill printing etc. It is a significant part of revenue, but ticket sales alone do not cover all the costs.
- Tickets for performances cost between \$5 and \$20 per person, with discounts often available to students and seniors. Booster club members receive free tickets depending upon the level of their membership and the date that they signed up.
- Tickets are usually sold online. Sometimes tickets are only sold at the door.

MERCHANDISE AND APPAREL

- FTC apparel will be available to pre-order via pay-n-go.
- FTC members receive a FTC shirt as part of their membership (no more to pay). FTC members are encouraged to wear FTC apparel at FTC meetings, outings and events.
- Throughout the year, show shirts for the Fall Show, Winter Show/Musical, U.I.L., One Act Play and Student Directed One-Acts, will be printed and distributed to the participants in those shows as part of their show fees and any extras will be available for sale to the public at the shows.
- 100% of profit from merchandise and apparel sales goes to FTC.
